

PUBLIC HEARING NOTICE

A Public Hearing for the purpose of receiving comments on the proposed [Title V Significant Modification Draft Permit for Tennessee Valley Authority – Cumberland Fossil Plant](#) will be held at **6:30 PM on Tuesday, November 14, 2006 at the Cumberland City Fire Hall on Thomas Avenue, Cumberland City, Tennessee.**

Tennessee Valley Authority –Cumberland Fossil Plant has applied to the Tennessee Air Pollution Control Division (TAPCD) for a significant modification to their major source operating permit subject to the provisions of paragraph 1200-3-9-.02(11) of the Tennessee Air Pollution Control Regulations (also frequently referred to as Title V regulations). It should be noted that this facility has a current major source (Title V) operating permit.

The applicant is Tennessee Valley Authority –Cumberland Fossil Plant with a site address of 815 Cumberland City Road, Cumberland City, TN. They seek to obtain a significant modification to their major source operating permit. The significant modification permit is for operation of a Hydrated Lime Injection System Consisting of Six (6) Silos with Cartridge Filter Control and also the operation of Two Auxiliary Startup Boilers.

U.S. EPA has agreed to treat this draft Part 70 permit as a proposed Part 70 permit and to perform its 45-day review provided by the law concurrently with the public notice period. Although U.S. EPA's 45-day review period will be performed concurrently with the public notice period, the deadline for submitting a citizen petition to object to the U.S. EPA Administrator will be determined as if the U.S. EPA's 45-day review is performed after the public comment period has ended (i.e. sequentially). The status regarding U.S. EPA's 45-day review of this project and the deadline for submitting a citizen petition can be found at the following website address: <http://www.epa.gov/region4/air/permits/Tennessee.htm>.

A copy of the application materials used by the TAPCD and a copy of the draft permit are available for public inspection during normal business hours at the following locations:

Stewart County Public Library
102 Natcor Drive
Dover, TN 37058

and

Tennessee Department of Environment and Conservation
Division of Air Pollution Control
9th Floor, L & C Annex
401 Church Street
Nashville, TN 37243-1531

Also, if you require a copy of the draft permit it is available electronically by accessing the TDEC internet site located at:

<http://www.tdec.net/apc/ppo/>

Interested parties are invited to review these materials and comment. To be considered, comments must be made by the close of the Public Hearing and should be addressed to **Mr. Barry R. Stephens, Director, Tennessee Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531**. Written or verbal comments will be accepted at the Public Hearing. Questions concerning this source may be directed to Mr. Greg Forte at the above address or by calling (615)-532-0548. A final determination will be made after weighing all relevant comments.

Individuals with disabilities who wish to participate in these proceedings (or to review these filings) should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.
